

# POSTER TITLE

Jesse Knight<sup>1</sup>,

<sup>1</sup> University of Toronto

## Background

- background
- background
- background

## Objective

To genearate a  $\LaTeX$  Poster using the `tikzposter` package [1]

## Methods

### Part 1

1. methods
2. methods
  1. submethods
  2. submethods

### Part 2

1. methods
2. methods

### Important information

3. methods (Figure 1)
4. methods (Figure 2)
5. methods (Table 1)

## Results

Figure 1: first figure

Figure 2: second figure

Table 1: tabular results

1	2	3	4	5	6	7	8	9	10
2	3	5	7	11	13	17	19	23	29

## Discussion

### Neat Stuff

- discussion (Figure 1)
- discussion (Figure 2)
- discussion (Table 1)

### Limitations & Future Work

- limitation
- limitation
- future work: contribute to [1]
